Red Cedar Valley Schools Employee Health Plan

Care management programme, 1 April 2027 to 31 March 2028: implementation and member outreach plan

Version 1.2, 8 March 2027. Prepared by Allison Santiago, Account Lead, for Joyce Salinas, Director of Risk Management and Benefits.

1. Purpose

This plan sets out how Northcourt will start the programme for Red Cedar Valley Schools under Agreement RCV-2027-014: who on our side does what, the dates we are working to with the District, Ellery and Quarrystone, how we will contact the members on the Final Enrolment List, and what the District will receive from us during the year. It replaces version 1.1 of 22 February, which had the outreach waves a week later.

2. Account team

Name	Role	Contact
Allison Santiago	Account Lead	Direct line and secure email in the contact sheet sent 17 February
Samantha Galvan, RN	Clinical Manager, RN care management	Escalations for Tier 1 and 2 members
Edward Miller	Member Outreach Supervisor	Welcome letters, call scheduling, opt-outs
Amy Kelley	Clinical Analytics	Enrolment list, data feeds, monthly reporting
Phillip Alvarado	Chief Operating Officer, executive sponsor	Contract and escalation of last resort

22 July 2027	First quarterly review with the District	District, Northcourt

4. Member outreach

Each member on the Final Enrolment List is assigned to a care team before the welcome letter goes out. Members in Risk Tiers 1 and 2 are assigned to a registered nurse care manager on RN Team A (cancer and transplant), RN Team B (heart, kidney and diabetes) or RN Team C (all other conditions, and children); members in Risk Tiers 3 and 4 to a health coach on Health Coach Team 1 or 2 by the employee's work location. The care team named on the list is the team that calls the member, so a member who calls back reaches someone who already has the file.

We make three call attempts at different times of day over two weeks, then send a letter with a direct number. Calls to a member under 18 go to the parent or guardian on the District's file. A member who declines is marked as opted out and is not called again; the member can rejoin at any time by calling the team. We use an interpreter line for members who prefer a language other than English, and we do not leave health details on voicemail.

5. What the District receives

- A monthly engagement report by the fourteenth of each month: members reached, members enrolled in a care plan and members opted out, by Risk Tier and care team.
- A quarterly review meeting with Risk Management and Benefits, with a short written summary of programme activity and any issues with the data feeds.
- Notice within two business days if a weekly eligibility file or a monthly claims file is late or fails our load checks.

6. Data and privacy

Northcourt receives eligibility and claims data only through the secure file transfer set up under Schedule D and handles it under the business associate agreement in Schedule E. Care team members see the records of their own members only. Nothing in this plan changes the terms of the Agreement.

7. Holidays and cover

The care teams are staffed Monday to Friday, 8:00 a.m. to 6:00 p.m. Central Time, except on federal holidays. Out of hours, members reach Northcourt's nurse line, which has the care plan for every enrolled member.
