Tenter House, 2 Wharf Road, Larkmoor: lease of 178 self-contained flats

Dear Housing Needs Service,

We write as managing agent for the freeholder of Tenter House. The freeholder has exchanged contracts for the sale of the building to a developer of purpose-built student accommodation, with completion on vacant possession. Under clause 14.2 of the lease dated 1 April 2021 the landlord may end the lease on six months' notice in writing where the building is to be sold or redeveloped.

This letter is that notice. The lease will end on 31 March 2027 and we will need vacant possession of all 178 flats on that date. We will continue to manage and repair the building in the usual way until then, and the rent will continue at the current rate for every flat until the lease ends, occupied or not.

We understand the council will want to plan how the households living at Tenter House are rehoused. Our on-site team will give your officers whatever access they need. Please let us know if the council would like to hand flats back before 31 March as they fall vacant; we would be glad to agree a reduced rent for any flat returned early.

Yours faithfully,

Nicola Robinson
