Scheme Administration Fee Schedule 2025-26

Effective 1 April 2025. Owner: Billing. Rate period R1 runs to 30 September 2025 and rate period R2 from 1 October 2025.

1 Case charges

1.1 The following case types are charged to the scheme per case on the response issuing. Rate period R1 applies where the response issued on or before 30 September 2025 and rate period R2 where it issued on or after 1 October 2025.

Case type	Queue code	Per case to 30 Sep 2025 (EUR)	Per case from 1 Oct 2025 (EUR)
Retirement quotations	MS-RQ	46.00	48.50
Retirement settlements	MS-RS	88.00	92.50
Transfers out	MS-TO	74.00	78.00
Transfers in	MS-TI	62.00	65.00
Death benefits	MS-DB	155.00	162.50
Member data corrections	MS-DC	29.00	30.50

1.2 Leaver options, investment switches and contribution queries are within the core administration fee and are not charged per case.

2 Statements

2.1 A scheme is charged either on a consolidated monthly statement or on a line per case, as recorded against the charge.

2.2 A scheme on a consolidated monthly statement is charged one line for each case type in each month, for the cases of that type whose response issued in the month, at the rate period in force on the charge date.

2.3 Charges are raised in the month the response issues. A response issuing in the last days of a month may be charged in the month following.

3 Other charges

3.1 Project work, bulk exercises and disbursements are charged separately and are not in the case charging extract.
