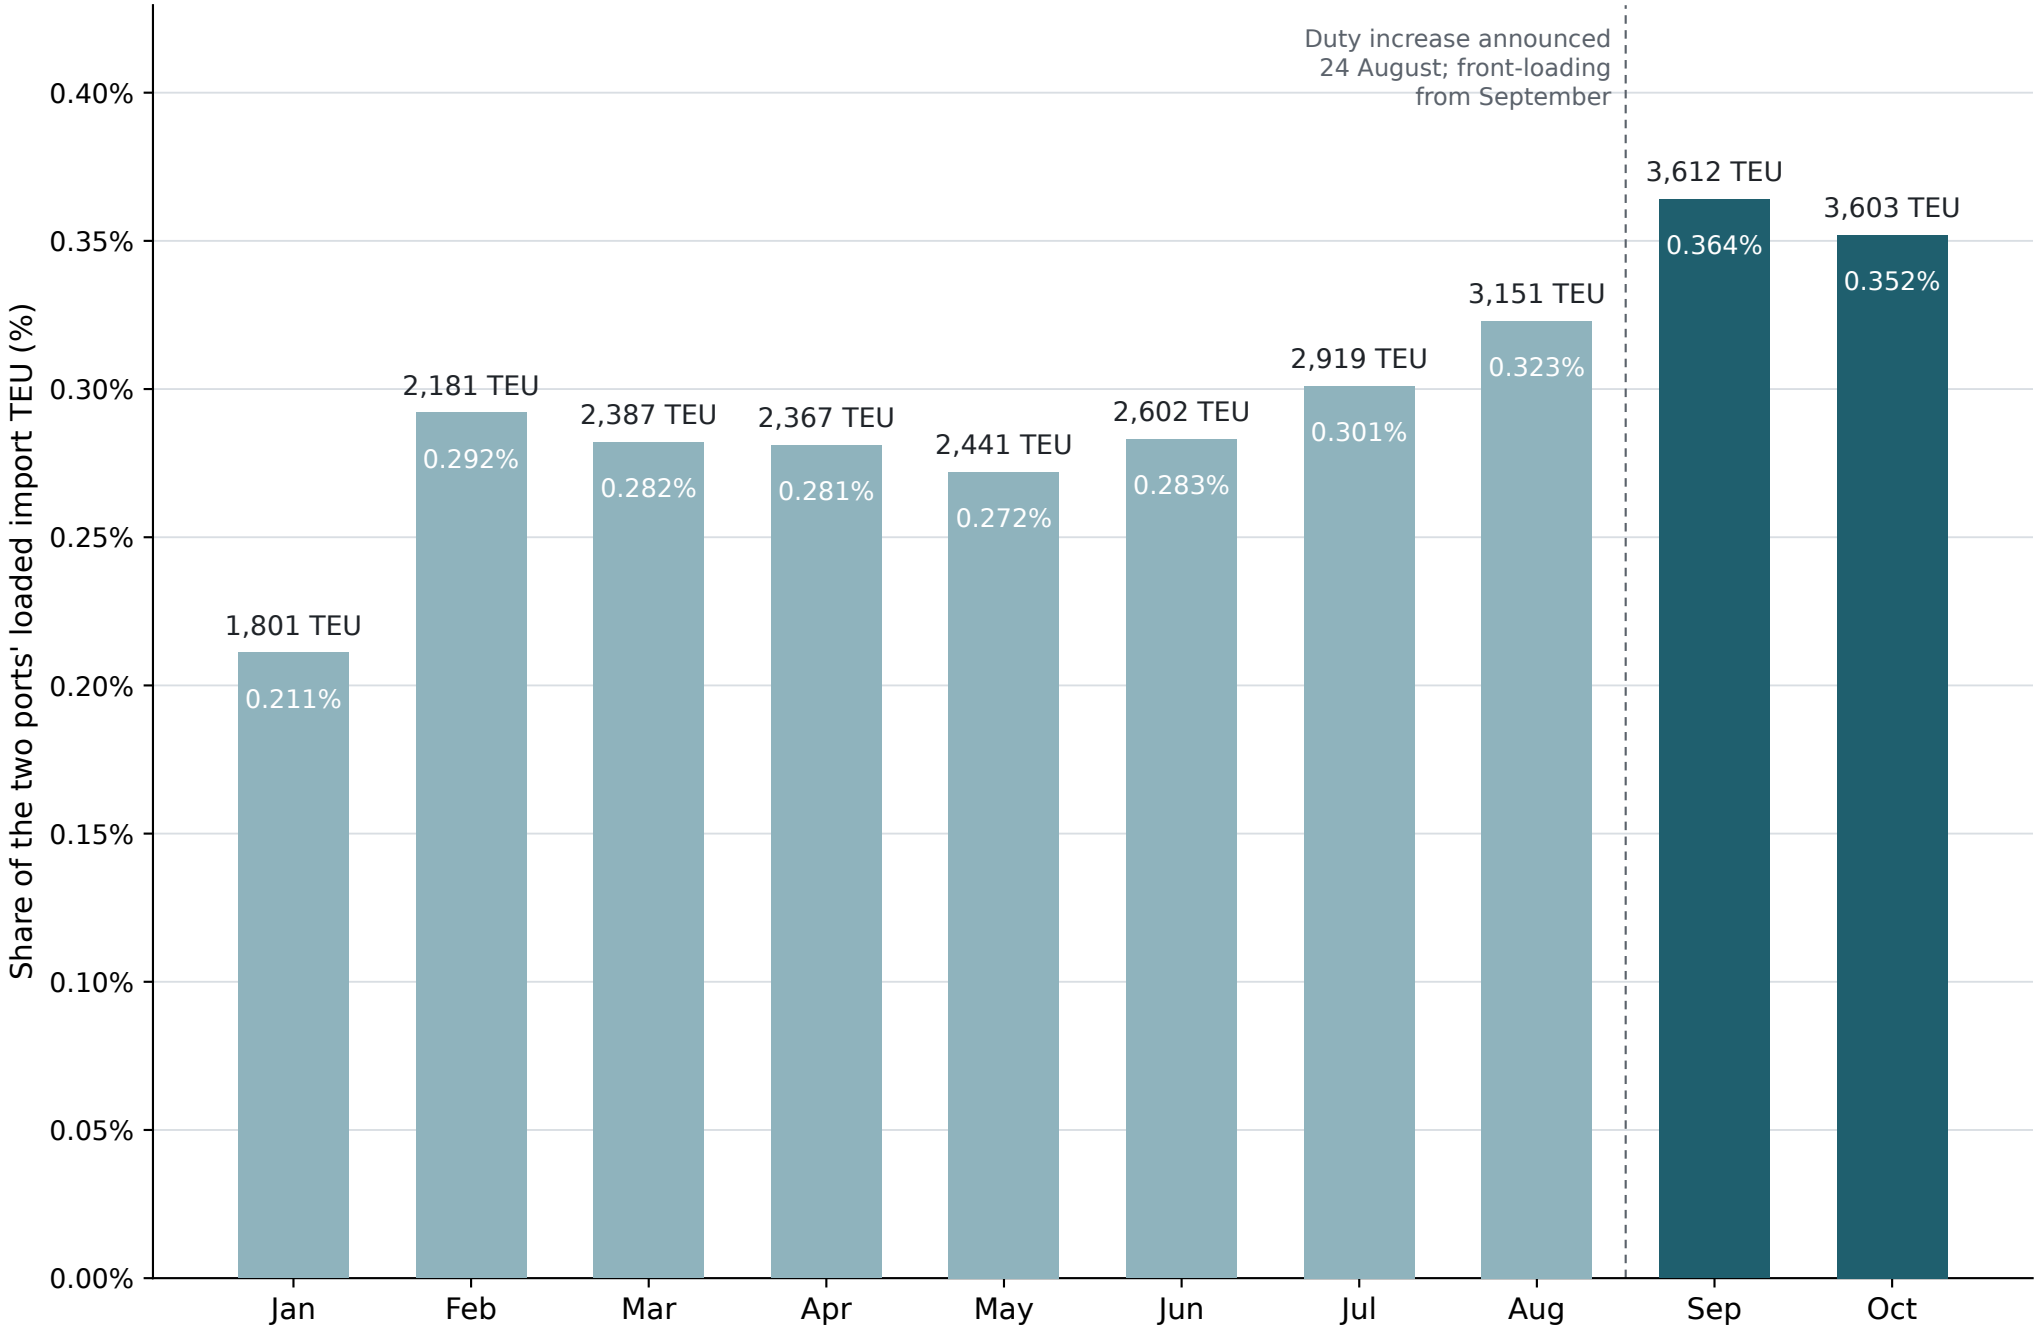
Our share of San Pedro Bay loaded imports reached 0.364% in September as clients front-loaded



Bars: our TEU over Los Angeles loaded imports plus Long Beach inbound loaded, January to October 2026. Labels: TEU of the import containers whose freight reached us from the two ports, received direct or in Avila transload trailers (each box counted once per arrival).

Pellerin Distribution Services, capacity planning, 7 December 2026.
